Welcome to Awad Rashad's business world

Awad Rashad is the co-founder and managing director of AROART for Import and Trade. He is a very successful businessman, who has been in the import and trade business for more than 20 years. With his experience and leadership, Awad has built a successful company known for its high-quality products and reliable services

It's been a long process, but we are **FINALLY** almost done

- Awad's philosophy is to provide customers with the best possible experience. He takes pride in making sure that his customers are completely satisfied with the products and services they receive from AROART. He firmly believes that customer satisfaction is the key to success in any business

In addition to providing excellent customer service, Awad Rashad has also implemented a number of innovative technologies and processes to make the entire import and trade process easier and more efficient. He has invested heavily in technology to make sure all of AROART's operations run smoothly

Awad Rashad

Co. Founder & Managing Director at AROART For Import & Trading Co.

I'm thrilled to attend Gulfood Manufacturing, the only annual & most influential F&B manufacturing event, from 8-10 November at Dubai World Trade Centre. This is our great opportunity to deep dive into the most talked-about topics, meet and learn from global experts, and experience new innovations in ingredients, food & drink processing, packaging and more.

It's been a long process, but we are **FINALLY** almost done

•ARO ART one of the Main companies works in hardwood (red oak ,white oak ,ash ,walnut, cheery ,.....)and softwood (American pine , SYP , EWP ,.....,) in Egyptian market ,we mainly imports for USA ,Canada ,Africa and Europe.

Experienced Managing Director with a demonstrated history of working in the import and export industry. Skilled in Negotiation, Budgeting, Business Planning, Sales, and International Business. Strong entrepreneurship professional with a Bsc focused in Electrical, Electronics and Communications Engineering from Faculty of Engineering Alexandria University.
